A DECADE OF YONDER LIVE

01/19/2002 - House Of Blues - New Orleans, LA

It was too early for Mardi Gras but clearly something was in the air of New Orleans that night. Just listen to the 'fungal scat' in Ramblin' In The Rambler (especially "Dave Johnston's sinister laugh") and you'll understand completely. Here's a perfect example of the 'circular energy' of the band and the crowd locked in like a hurricane (the drink, that is) to create an evening of music that had everyone wakin' up the next day asking, "Did that really happen...?" - Pastor Tim & Mark Burnell
