A DECADE OF YONDER LIVE

07/02/2004 - Rushmore Plaza Civic Center - Rapid City, SD

The band always refers to this as "the Brando show" because it took place the day after actor Marlon Brando died which led to some impersonations that set the tone for the evening. Who would have thought the only show Yonder ever performed in South Dakota (so far!) would be included but this was hands-down the band's favorite show from this year.
